

## Banyule Environmental Grants 2019-20 – Home Energy Audits

Banyule City Council is keen to encourage community involvement in the achievement of environmental sustainability, particularly through:

- the maintenance and enhancement of the natural environment;
- the conservation of resources including materials, water and energy, a reduction in waste and pollution; and
- the encouragement of environmental stewardship in the community.

This financial year, Council has allocated an additional \$15,000 for Home Energy Audit grants, to support residents to reduce their energy use, while maintaining comfort levels within their homes.

These guidelines outline key components of the Home Energy Audit Grant program. Please find details on all other grant funding by visiting our website -
