A Banyule Social Story

My day at the Malahang Community Festival

This book belongs to

I am going to the Malahang Community Festival.
It's at the Malahang Reserve.

At the festival I will see stalls,

If I would like, there are activities I can do:

There will be music at the festival. If it gets too loud I can cover my ears, wear head phones. I can watch and listen to the music, dance or sing along.

There will be a lot of people at the Malahang Reserve, to see the festival too. I need to stay close to my family/carer.

If I need to go to the toilet, I will let my family know and they'll help me to follow the map.

If I am allowed, I can get food at the festival from a stall .

If I need to run around, I can ask my family to take me to some clear space in Malahang Reserve, to a fun activity or even to one of the sports clinics.

At the Malahang Reserve there is a skate park, and if I am allowed I can bring my scooter or skateboard.

If I need to have a rest I can go to the chill out tent.

If I need help I can see a staff member, they will be wearing a grey shirt and with the Banyule Council logos on it

Going to Malahang Community Festival will be fun!
