

My visit to Anthony Beale Reserve

I am going to the park at Anthony Beale Reserve. There will be people at the park.

At the park I can do many different things.

I can go on the swing.

I can go on the hammock.

I can go in the spinning wheel.

I can spin on the play roundabout.

I can go down the slides.

I can go on my scooter, skate board or bike on the skate park.

I can walk on the stepping logs.

I can go on the flying fox.

I can play in the sandpit.

I can play in the water play area.

There might be people playing sport on the oval near the park.

If I bring a basketball I can use the basketball court.

When I need a rest there are bench seats in the shade I can sit on.

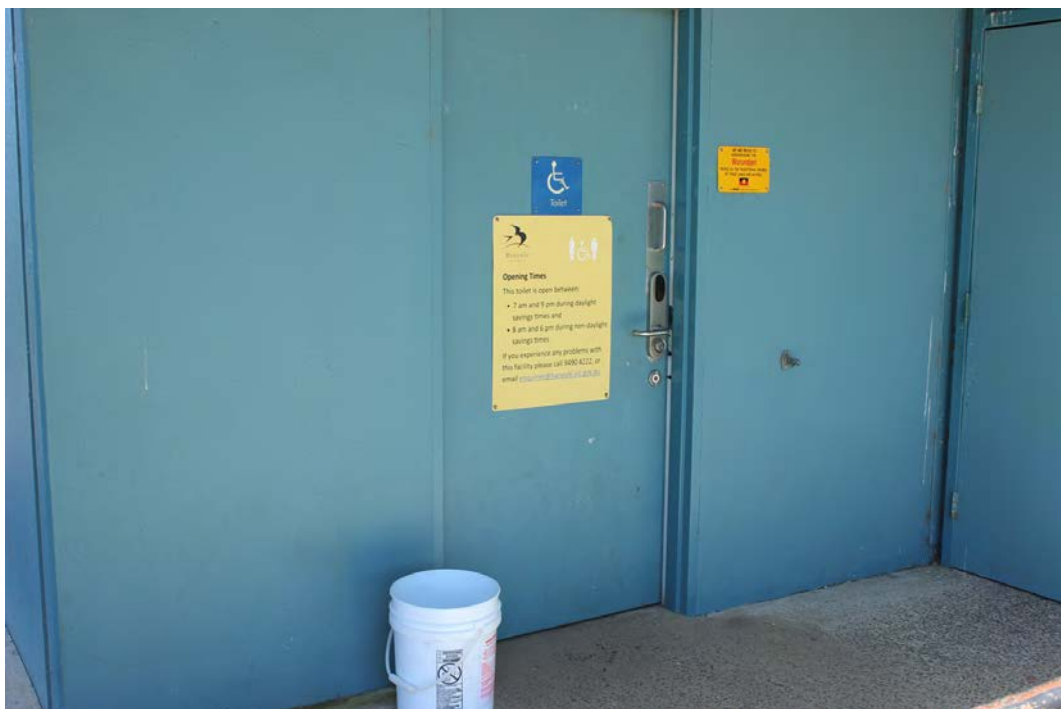

There are places where people can cook their food. I can sit on a bench seat to eat my food.

If I am thirsty I can go to the water tap and have a drink.

The toilets are a short walk away. If I need to go to the toilet I need to ask an adult.

Going to the park at Anthony
Beale Reserve will be fun!
