

My visit to Malahang Reserve

I am going to a park called Malahang Reserve. There will be people at the park.

At the park I can do many different things.

I can play in the playground.

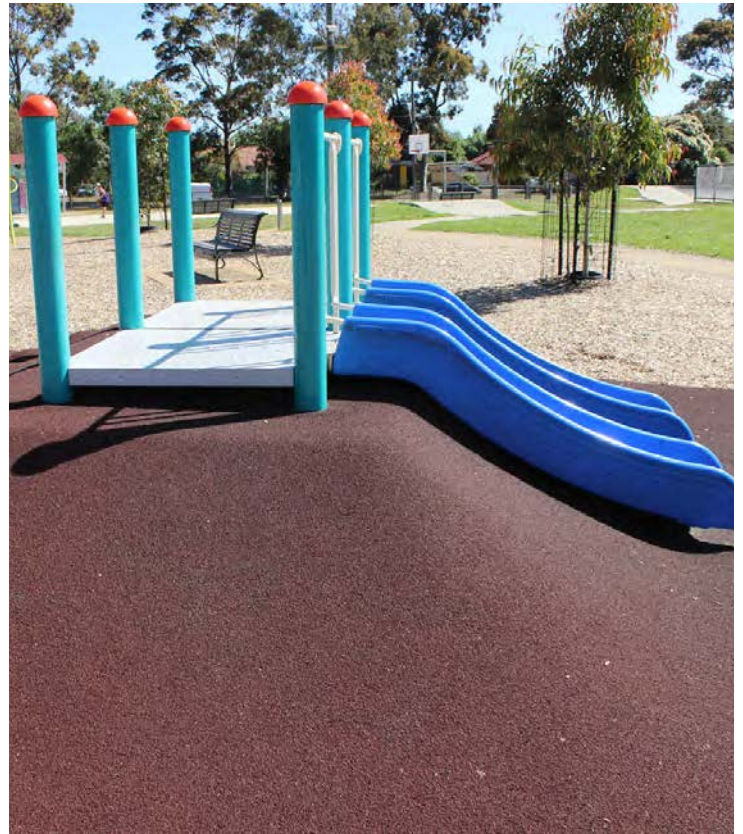

I can go on the swings.

I can play on the spinning play equipment.

I can go on the seesaw or the slides.

I can climb on the climbing ropes. I need to be safe when I climb.

I can ride my scooter, bike or skateboard on the skate park.

I can play basketball if I bring a ball.

I can play soccer if I bring a ball.

I can go on the flying fox.

When I need a rest there are bench seats in the shade I can sit on.

There are places where people can cook their food. I can sit on a bench seat to eat my food.

If I am thirsty I can have a drink at the drink tap.

The toilets are a short walk away. If I need to go to the toilet I need to ask an adult.

Going to the park at Malahang Reserve will be fun!
