

My visit to Possum Hollow

I am going to Possum Hollow park.
There will be people at the park.

At the park I can do many different things.

I can go down the slides.

I can go on the swings.

I can climb on the climbing ropes. I need to be safe when I climb.

I can climb on the low ropes course. I need to be safe when I climb.

I can go on the flying fox. I need to hold on tight.

I can walk on the stepping stone paths.

If I bring my bike I can go for a ride on the bike paths.

If I bring a ball I can play basketball.

I can play on the spinning play equipment.

There are bench seats where I can sit and rest or eat my food.

There is a cafe where I can buy food, if I ask an adult. Sometimes the cafe is closed.

If I am thirsty I can go to the water tap and have a drink.

There are toilets. If I need to go to the toilet I need to ask an adult.

Going to the park at Possum Hollow will be fun!
