## October 2023

- Monty Bowls Club reopening
- EJ Andrews playground improvements
- Lower Plenty car park resurfacing
- See it. Report it.

## Rolling out the renos at Monty Bowling Club

I'm delighted to see the clubrooms at Montmorency Bowling Club reopening this soon, just in time for the summer bowls season.

The long-awaited renovations of the council-owned clubhouse include a new kitchen, toilets and social spaces.

A joint effort of Banyule and the Victorian Government, Council invested \$1.2 million in the rebuild and thanks the government for its \$500,000 contribution.

We think it's a good investment in the health and wellbeing of the 200+ members of Monty Bowls Club.

Fancy a roll? Find out about the club at [montmorency.bowls.com.au](http://montmorency.bowls.com.au)

## Lower Plenty car park upgrade

Council is upgrading the car park at the corner of Main and Old Eltham roads in Lower Plenty as part of our regular car parks capital works program. We've completed patching unsealed areas and we're now resurfacing the asphalt and adding new line marking.

## EJ Andrews renewal

Work has begun on improvements at EJ Andrews Reserve in Briar Hill, including rehabilitation of an area that has been used by the Level Crossing Removal Project (LXRP) as a lay-down area during construction of the rail duplication.

The works are jointly funded by Council and LXRP and include wheelchair accessible playground equipment, seating, fencing, tree planting and nature play areas.

Work will continue through spring and we expect to be finished by the end of the year, in time for summer family fun.

## Banyule Community Fund: Give local

Council has launched a new registered charity raising funds for non-profit causes and people in need in Banyule.

You can choose to donate to the overall Banyule Community Fund or select one

of the priority areas such as housing, mental health support or food security.

Thinking of your next fundraising event? Donate your way at [banyule.vic.gov.au/BCF](http://banyule.vic.gov.au/BCF)
