Carols by Candlelight

Carols by Candlelight is on **Saturday, 16 December from 5pm - 9.30pm** at Greensborough War Memorial Park. Santa will arrive nice and early, and there is a fantastic lineup of entertainers including 3AW's Denis Walter, vocal powerhouse Carla Troiano, the Australian Children's Choir and Celia & Friends.

Bring a picnic or purchase food and drinks from the onsite food trucks. A gold coin donation to the Banyule Children's Appeal gets you an LED candle and songbook so you can sing along. For more details visit banyule.vic.gov.au/carols

Greensborough Historical Society

Local history buffs can delve into the region's heritage in comfort after Council extended the Greensborough Historical Society Resource Centre. The comprehensive \$150,000 refurbishment was completed recently. It included accessibility improvements with new entrance ramps and an accessible toilet, removing asbestos and partitions, and upgrading the main entrance, adding new flooring, doors, painting, fences and landscaping.

Visitors are welcome to pop into the Resource Centre at 34A Glenauburn Road, Lower Plenty between 10am and 3pm on Thursdays. For more information visit greensboroughhistorical.org.au

Rangeview Road

Council is investing \$600,000 to improve the road surface, kerbs and drainage on Rangeview Road between Old Eltham Road and Main Road. New speedhumps will help improve safety and make it better for local residents by deterring drivers who use Rangeview Road as a shortcut. The major upgrade is well underway and should be finished by the end of the November, weather permitting. With our recent changeable weather, a few days have already been lost due to rain.
